Applicants Responsibility: I hereby certify that I have carefully read or have had read to me this document and I agree to comply with and be bound by its terms and conditions: 1. **Applicant Solely Responsible:** The applicant understands and appreciates, that he/she is solely responsible for ensuring that the proposed construction/renovation fully complies with the City of Thomasville and Building Code Regulations, any other state or local laws pertaining to this type of construction, all relevant plat restrictions and covenants and/or subdivision/homeowner's association restrictions and covenants, and any other restrictions or covenants applicable to this property that may be found in the public records of Clarke County. The City of Thomasville does not warrant that, or assume any duty to determine if an application for a building permit is in compliance with said restrictions and/or covenants. 2. **City of Thomasville Assumes No Responsibility:** The City of Thomasville in no way warrants, in approving an application for a building permit, that the construction/renovation to be undertaken is in compliance with and satisfies any plat, subdivision or homeowner's association restrictions or covenants, or any other state or local laws governing this type of construction. 3. **Voiding of Building Permit by City of Thomasville:** This building permit has been issued on the basis of the information provided. If, at any time, the City of Thomasville determines that any material information you have submitted is false or misleading or that you have withheld pertinent material information. The City if authorized to revoke and void this building permit. The granting of this permit does not authorize or excuse non-compliance, on your part, with building code requirement, any state or local law covering this type of construction, or any relevant plat, subdivision or homeowner's association restrictions or covenants, nor does it remove the applicant's obligation to meet the requirements for plumbing, gas, electrical or other permits, as applicable, and such violation or noncompliance may result in the City's voiding or revoking this building permit.
