

**CONGRATULATIONS TO OUR NEW AND RETURNING SPONSORS!
WE APPRECIATE ALL OF YOU.**

An added feature, for our sponsors of \$1000 or more, will be display space on either side of the metal conference sign. A portion of a table will be made available to you for cards, brochures, etc.

The tables will attract much attention, as they will be placed strategically where everyone must constantly walk past. The displays will be set up for the night of the VIP reception, so that the prime contractors, governmental suppliers, and “movers and shakers” will have full access to them. They will remain in place throughout the conference.

Of course, the benefits below remain the same. Also included are two passes to the VIP reception. We look forward to hearing from you.

The energy level is high for 2008, both due to the relocation to the Thomasville Civic Center and Senator McCain’s recent visit. Thomasville is again being acknowledged as a model for rural workforce and economic development. It will certainly be the place **to be and be seen** on August 13th.

LEVELS OF SPONSORSHIP:

- () **\$5,000** - logo and company name appear in ***largest form*** on all conference materials and signage
- () **\$2,500** - logo and company name appear in ***medium form*** in program, and signage
- () **\$1,000** - company name appears in ***listed form only*** in program and on signage
- () **\$_____** - donations/amounts attached to specific aspect of event (*ex. meal*) or item of service (*ex. printing*), **will dictate level of Sponsorship and visibility.**

Sponsor forms are available on www.thomasvilleal.com. For more information please contact me as shown below.
